Auctioneers Note: American Keystone Limited proudly presents its series of internationally recognized, fine wooden collectibles by Artist, Designer, Gayle E. Anderson. Mr. Anderson has captured transportation modes quintessential to the era of 1880-1935. No more than 2500 pieces of each design were crated, each is serialized and signed by Mr. Anderson. Gayle spent several years in Japan as naval intelligence, so these Japanese collectables are just a few of what he brought back with him. Due to his passing the family has decided to sell these items. You will have a unique opportunity to purchase some of his first prototypes and some of his unique builds.
